Description: General wear to book. Renowned for their fierceness in battle, for the intricate beauty of their art and for their independence, the Celtic people of the British Isles were equally well known for their love of story telling. Their tradition was essentially an oral one and most of their favourite stories were not written down until many centuries after they were first told. With over 40 delightful illustrations, Celtic Myths and legends provide an immensely readable introduction to ancient Celtic tales.

People are also interested in fate (= a power that controls everything) and in knowing what will happen to them in the future. Most people know which sign of the zodiac they were born under, and read their horoscope or stars in magazines, though only a few take it seriously. There are many well-known omens (= signs) of bad luck, some of which have a religious origin. The number 13 is considered unlucky because there were 13 people (Jesus and the twelve Apostles) at the Last Supper. Tall buildings often do
