MEMO TO STATE PUBLICATION PROGRAM LIBRARIES
January 25, 2006

There is an unusually large electronic-Digital Archive shiplist in this shipment. This is because the county health profiles and youth risk resiliency surveys were cataloged with an individual OCLC record for each county. This will allow researchers to search and access this material at the local level for the counties they are most interested in.

Memo from Marci:

Joshua Maestas has joined the state documents staff as a full time state documents assistant. Joshua has previously worked at the Pojoaque Pueblo Library and has also obtained his Librarian 1 and 2 Certificates. He is working on state document claims, digital archiving, special projects and collection maintenance. We are glad to have a full time documents assistant and welcome him to the staff!

We have scheduled our Annual Depository Librarians Meeting for Friday April 7th, 2006 from 9am to 3pm. We hope that each of your libraries can send one or two representatives who are familiar with the cataloging and/or reference side of the documents.

Since we did not meet as a group last fall, it will have been a year and a half since we have met together and we do have much to talk about!

I am still working on the agenda but will send it out as soon as I can. At this point please put the meeting on your calendars, let your supervisors know and make arrangements to attend.

I do look forward to seeing you all!

Highlights in this shipment:

High Plains of North Eastern New Mexico: a guide to Geology and Culture is the latest in the Scenic Tours books from the New Mexico Bureau of Geology and Mineral Resources. It covers the northeast corner of New Mexico, home to the largest volcanic field east of the Rocky Mountains and rich in cultural history including the Santa Fe Trail and the Folsom Man site. Included are detailed road logs with geologic and cultural stopping places, color photos, maps and illustrations.
This issue of “Trails and Treasures” from Rural Economic Development Through Tourism outlines scenic and cultural drives through rural New Mexico, including Taos, Cuba, Fort Sumner, Los Alamos, and Lea, Grant and Catron counties.

Happy New Year!

"Happy New Year" is a song by Swedish group ABBA from their 1980 album Super Trouper. The lead vocals are by Agnetha Fältskog. The song’s working title was the more festive and humorous "Daddy Don't Get Drunk on Christmas Day". Although recorded in 1980, the English-language song was released as a single in Europe in 1999 and charted at no. 34 in Sweden, no. 15 in the Netherlands, no. 75 in Germany, to promote the CD re-release of many of ABBA's singles.
