Learn weaving, braiding & embellishment techniques w/fiber that will enhance your basketry skills & easily add character to special baskets & gourd art. 96 pages

Hopi Wicker
Plaques & Baskets
$29.95 Softcover
by Rhodes
Be inspired! This new & original survey details the beautiful styles & designs of woven plaques & baskets by artists of Third Mesa in Arizona. 67 different design categories, over 475 color photographs. History of the Hopi people, weaving materials & techniques, different uses of the baskets & plaques & their values today all are discussed. Explorations of the named pattern designs, including Sunflower, Wedding Basket & Dragonfly, as well as unnamed & the coveted Katsina plaques are given. This valuable reference enables readers to more easily identify old & contemporary examples in private collections, museums & art galleries.

The Nature of Basketry $14.95
by Rossbach
Softcover
This delightful book presents a wide variety of baskets from around the world w/the author’s view of “temporary” & “permanent” uses & 100’s of photographs. Asian, American & European ceremonial baskets, some of which support lavish facades of feathers & shells, as well as humble work baskets & those made quickly to satisfy a moment’s need. Many traditional methods of converting plant materials into baskets are described w/pictures of their constructions & discussions of their unique qualities. No patterns are included but many techniques are discussed & the book is filled with photos & illustrations. 192 pages

A great overview of basketry from around the world.
