MYSTERY AND DETECTIVE FICTION

"If I have any work to do," W. H. Auden wrote in "The Guilty Vicarage" (1948), "I must be careful not to get hold of a detective novel. "For, once I begin one, I cannot work or sleep till I have finished it" (p. 400). Given the popularity of the genre from its earliest incarnations to the present, many readers would wholeheartedly agree. The related genres of mystery and detective fiction have captured the American reading and writing imagination as no others have. Mystery fiction is a genre of fiction usually involving a mysterious death or a crime to be solved. Often with a closed circle of suspects, each suspect is usually provided with a credible motive and a reasonable opportunity for committing the crime. The central character will often be a detective who eventually solves the mystery by logical deduction from facts presented to the reader. Sometimes mystery books are nonfictional. “Mystery fiction” can be detective stories in which the emphasis is on the See more ideas about Detective, Board games and Mystery.
